I spoke with Jim Brown, R6 Drinking water BC. He anticipates needing people once the water starts to recede so a week or 2. So I don't think people will need to leave this week. According to an email from Roy Krueger the flooding is not going to recede for 2-3 weeks. Region 6 will still need people just not yet.
Good morning,
A DISASTER THAT IS JUST BEGINNING! ITS NOT LEAVING ANYTIME SOON....FEW MORE DAYS OF RAINFALL!
This CASTASTOPHIC FLOODING WILL CERTAINLY BE LONG TERM RECOVERY!
2-3 WEEKS FOR WATER TO SUBSIDE!
